

Hello,

We are very pleased to present the following machine for your review and approval:

2006 Tsugami BS20-C-III

Swiss Type CNC Lathe

---LIVE TOOLING / MILLING---

C-Axis: Equipped With

Y-Axis: Equipped With

Live Tooling / Milling: Equipped With

---SPECIFICATIONS---

Max Turning / Cutting Length: 8"

---SPINDLE---

Bar Capacity: 0.78"

Spindle Speed: 8,000 RPM

---SECOND SPINDLE---

Sub-Spindle: Equipped With

Second Spindle Speed: 7,000 RPM

---TURRET---

Tool Positions: 22

---CONTROL---

Control Make/Model: Fanuc 18i-TB Series CNC Control

---OPTIONS---

Machine Options: Mist Collector

Additional Machine Specs:

 Main Spindle Drilling Diameter: 0.39"

Tool Spindle Speeds: 200 - 5,000 RPM

Back Rotary Tool Speeds: 200 - 4,000 RPM

-EQUIPPED WITH-

MP Systems High Pressure Coolant

Tri-Mist Mist Collector

Parts Conveyor

Coolant Types: High Pressure Coolant

Barfeeder Make/Model: LNS 12ft Barfeed

PRICE.....\$28,900
