

Hello,

We are very pleased to present the following machine for your review and approval:

## 2018 Mazak Integrex i-150

### Multi-Axis CNC Lathe w/ Bar-Feeder

X-Travel: 14.67"

Z-Travel: 17.13"

Distance Between Centers: 16"

Max Swing Over Bed: 16.76"

Max Turning / Cutting Length: 15.16"

Max Cutting / Turning Diameter: 13.39"

Spindle:

Bar Capacity: 2.50"

Chuck Size: 8.0"

Chuck Type: Hydraulic

Spindle Bore: 2.65"

Spindle Speed: 5,000 RPM

Spindle Motor: 15 HP

Second Spindle B Axis:

Total Spindles: 2

Work Hand Turret/ 2 Functions Tailstock & Vise

ATC, Tool Positions: 72

Live Milling Max RPM: 20000 RPM

### -EQUIPPED WITH-

Mazatrol Smooth CNC Control, EIA 3D Comp, Geometric Ext-Data I/O, Shape Comp, Thread, Inverse Time Dynamic Compensation à Floating ZERO, 3D Co-Or Rot, Polar Coordinates Input, Comparison Stop Spline, Work Setting Error Compensation à G-54.1, Rot-Axis Shape, G00 Slope, EIA Herical Tap Cycle EIA Pattern Cycle, 2nd AUX Function, Tilted Working Plane, 5-Axis Tool Comp Tool Center Point Control, 20 Gigs of Program Storage, 32 Megs of Ram, Absolute Encoders 5-Axis Machining Package (Software For Full Contouring), F-Tool Radius 5-Axis Software Tailstock / Steadyrest

PRICE.....\$229,900

Best Regards,
