

Hello,

We are very pleased to present the following machine for your review and approval:

**Brown and Sharpe MICROMASTER 12x24  
Hydraulic Surface Grinder**

12" x 24" Brown and Sharpe Hydraulic Surface Grinder

Automatic 2 axis

12" x 24" Electro-magnetic chuck

and controls (neutrofier)

Rapid Spindle Elevation (up / down)

Coolant tank and pump

Hydraulic oil chiller (built in)

Very nice running machine

Includes electrical schematics for the machine

and the chuck neutrofier

Looks like it can be run on 220/440 volts,

3 phase, set now for 440 volts

**PRICE.....\$5,900**

Best Regards,

**Mike Heim - Sales Manager**
